REQUIREMENTS FOR FILING PATENTS IN GRENADA

Patents in Grenada are governed and filed in accordance with the Patents Act Cap. 227 (this act governs international patents) and the Registration of United Kingdom Patents ACT Cap. 283 (this Act governs United Kingdom Patents).

Should you be interested in filing an **International Patent Application** in Grenada, the following is required:

- 1) Authorisation of Agent - the format will be provided to you.
- 2) A declaration that the applicant is in possession of an invention which must be accompanied by either a provisional or a complete specification.
 - A provisional specification must describe the nature of the invention, and be accompanied by drawings, if required.
 - A complete specification must particularly describe and ascertain the nature of the invention and in what manner it is to be performed, and must be accompanied by drawings, if required.
 - A specification, whether provisional or complete, must commence with the title and in case of a complete specification, must end with a distinct statement of the invention claimed.

Should you be interested in filing a **United Kingdom Patent Application** in Grenada, the following is required:

- 1) Authorisation of Agent - the format will be provided to you.
- 2) A certified copy of the specification or specifications (including drawings, if any) of the United Kingdom Patent.

- 3) Certification from the Comptroller-General of the United Kingdom Patent Office giving full particulars of the issue of the patent on such specification or specifications.

Please note that Annuities with regards to patents filed in Grenada is not required at this time.

***Depending on the nature of your request, the Registrar may request additional documentation or require specific legalization of respective documents.**

***All applications will be prepared and filed by our office. The Authorisation of Agent form is to be completed by you and the original or hard copy forwarded to our office.**

***A certificate will be provided by the Registrar of Patents for every successful application filed.**
